Performing Organization Name and Address Alberta Transportation and Utilities 4999 – 98 Avenue Edmonton, Alberta T6B 2X3		Sponsoring Agency Name and Address Research and Development Alberta Transportation and Utilities 4999 – 98 Avenue Edmonton, Alberta T6B 2X3	
Supplementary Notes			
Abstract The Alberta provincial government has recently developed an interim wetland policy for the settled areas of Alberta, the goal being to sustain the social, economic and environmental benefits, that functioning wetland provide. This report was compiled as a background information to assist transportation managers to formulate implementation strategies in accordance with the new wetland policy.
