

# USE IN ALL TENDERS SPECIFYING GUARDRAIL AND/OR GUIDEPOST INSTALLATION

## 0.1 **AMENDMENTS TO SPECIFICATION 2.19, GUARDRAIL AND GUIDE POSTS, RE: GUARDRAIL AND GUIDEPOST INSTALLATION**

Subsection 2.19.3.1, General, of Section 2.19.3, CONSTRUCTION, is revised as follows:

- i) The last sentence of the first paragraph is replaced with the following:

*The permissible tolerances for post installation are 1.5 degrees from vertical for plumb and 6 mm for grade.*

- ii) The second last paragraph is replaced with the following:

*For all posts, at the end of the one year warranty period the permissible tolerances will be 2.0 degrees from vertical for plumb and 13 mm for grade.*
