

USE IN ALL TENDERS WITH CONTRACTOR'S SUPPLY OF BORROW EXCAVATION

1.1 CONTRACTOR'S SUPPLY OF BORROW

The Contractor shall supply all borrow material which may be required for this project. The Work shall be carried out in accordance with Section 2.3, Grading, of the Standard Specifications for Highway Construction.

The Contractor shall contact:

(insert contact name and address of approvals and reclamation officer)

before doing any work on any borrow site to ascertain the operation and reclamation requirements for obtaining borrow from that location.

The Contractor shall also contact:

Barry Newton
Land Use Planner
Land Use Planning Section
Culture and Community Spirit
Old St. Stephen's College
8820 - 112 St.
Edmonton, AB, T6G 2P8
E-mail: barry.newton@gov.ab.ca

Telephone: (780) 431-2330
Fax: (780) 422-3106

before doing any work on any borrow site to ascertain the potential for Archaeological, Palaeontological and Historical Resources prior to obtaining borrow from that location.

The Contractor shall supply copies of the approvals and clearance to the Consultant before commencing this work.

The Contractor is advised that it may take more than 6 weeks to obtain the above approvals and clearances.
