

LIST OF FIGURES
Level 2 Inspection Manual

Figure 1.1 – Element Numbering Examples	1-3
Figure 1.2– Common Level 2 Inventory Fields	1-4
Figure 1.3– Legal Land Location	1-5
Figure 1.4 – Skew Angles, Plan View	1-8
Figure 1.5 – Common Level 2 Scheduling Information Fields	1-9
Figure 1.6 – Additional Structure Information for Bridges	1-10
Figure 1.7 – Last Page of Level 2 Forms; Level 1 Inspection Information	1-12
Figure 1.8 – Last Page of Level 2 Forms; Items Requiring Immediate Attention.....	1-12
Figure 1.9 – Last Page of Level 2 Forms; Special Inspection Requirements	1-12
Figure 1.10 – Last Page of Level 2 Forms; Inspector Information	1-13
Figure 1.11 – Last Page of Level 2 Forms; Reviewer Information	1-14
Figure 2.1 – Example of Concrete Deck Inspection Ratings for a Wearing Surface.....	2-3
Figure 2.2 – CDK2, Additional Structure Information.....	2-6
Figure 2.3 – CDK2, Wearing Surface Inventory Information.....	2-7
Figure 2.4 – CDK2, Wearing Surface Inspection	2-8
Figure 2.5 – CDK2, Concrete Overlay Inventory Information	2-11
Figure 2.6 – CDK2, Concrete Overlay Inspection.....	2-13
Figure 2.7 – CDK2, Concrete Deck Inventory Information.....	2-15
Figure 2.8 – CDK2, Concrete Deck Inspection	2-17
Figure 2.9 – CDK2, Curb, Parapet, Median, and Sidewalk Inventory Information	2-22
Figure 2.10 – CDK2, Curb and Parapet Inspection	2-23
Figure 2.11 – CDK2, Median and Sidewalk Inspection Items.....	2-25
Figure 2.12 – CDK2, Deck Joint Inspection	2-27
Figure 2.13 – Sample Section of the CDK2 Supplement.....	2-32
Figure 3.1 - CSE Origin in Relation to North Arrow	3-5
Figure 3.2 – CSE Origin with Non-Testable Spans	3-5
Figure 3.3 – Location of CSE Origin on Skewed Bridge Sites, Plan View	3-5
Figure 3.4 – The Origin Point for CSE Testing, Detailed Examples	3-6
Figure 3.5 – CSE Test Locations	3-7
Figure 3.6 – CSE2, Additional Structure Information	3-12
Figure 3.7 – CSE2, Weather Conditions at Time of Testing	3-13
Figure 3.8 – CSE2, Site and Testing Equipment Information	3-13
Figure 3.9 – CSE2, Span Information	3-14
Figure 3.10 – CSE2, Percentage of Deck Area In The Range Indicated.....	3-15
Figure 3.11 – CSE2, Average Reading and Standard Deviation for Deck and Curbs	3-16
Figure 4.1 – Sample Chloride Test Locations for Various Span Configurations.....	4-5
Figure 4.2 – Sample Label for a Chloride Test Sample	4-7
Figure 4.3 – CHL2, Additional Structure Information	4-9
Figure 4.4 – CHL2, Chloride Testing Summary Information	4-9
Figure 4.5 – CHL2, Chloride Test Data Component Information	4-10
Figure 4.6 – CHL2, Rapid Chloride Test Data	4-11
Figure 4.7 – CHL2, Sample of Completed Section, Page 2.....	4-13
Figure 4.8 – CHL2, Laboratory Chloride Test Results	4-13
Figure 4.9 – CHL2, Average Chloride Test Results.....	4-14

Figure 5.1 – Span and Member Numbering for Trusses.....	5-3
Figure 5.2 – Member Notation Relative to Steel Design Drawings.....	5-4
Figure 5.3 – Example: Ultrasonic Testing For Members with Collision Distortion.....	5-8
Figure 5.4 – Sample Truss Diagram from Top of Inspection Form.....	5-9
Figure 5.5 – Truss Inspection Form Footer information.....	5-10
Figure 5.6 – Main Body of Truss Inspection Forms.....	5-11
Figure 5.7 – Sample of Completed Line Diagram.....	5-14
Figure 5.8 – Truss Inspection Summary Form, Header Information.....	5-15
Figure 5.9 – Truss Inspection Summary Form, Main Body.....	5-16
Figure 6.1 – SBM2, Culvert Information.....	6-2
Figure 6.2 – Numbering Culvert Pipes.....	6-2
Figure 6.3 – Corrugated Steel Pipe Profile.....	6-3
Figure 6.4 – SBM2, Additional Culvert Information.....	6-4
Figure 6.5 – Definition of N.....	6-5
Figure 6.6 – SBM2, Summary Inspection Information.....	6-5
Figure 6.7 – SBM2, Inspection Data Header Information.....	6-7
Figure 6.8 – SBM2, Inspection Data.....	6-8
Figure 6.9 – Culvert Barrel Layout.....	6-9
Figure 6.10 – Measurement of Rise and Span.....	6-9
Figure 6.11 – Measurement of Rise with Obstructions.....	6-11
Figure 6.12 – Incorrect and Correct Lapping of Longitudinal Seams in Culverts.....	6-12
Figure 6.13 – A cracked Longitudinal Seam.....	6-12
Figure 6.14 – SBM2, Barrel Rating Condition Summary.....	6-13
Figure 7.1 – VCL2, Additional Structure Information.....	7-4
Figure 7.2 – VCL2, Level 1 Vertical Clearance Information.....	7-4
Figure 7.3 – VCL2, Vertical Clearance Summary Information.....	7-5
Figure 7.4 – VCL2, Inspection Data Worksheet.....	7-7
Figure 7.5 – Vertical Clearance Measurement Locations.....	7-10
