**Note:**

- 1) The above amounts represent the currently proposed grant allocation to each municipality under this 3-year program as recommended by the 1999 Premier Task Force on Infrastructure.
- 2) The grant amounts are based on a formula incorporating road network size and growth, population growth, and development growth as determined by a joint AUMA, City, Alberta Infrastructure Technical Committee under the 1999 Premier Task Force on Infrastructure. This program provides for 75% Government/25% City cost-sharing on eligible projects.
- 3) While every effort is made to ensure that this information is correct, the amounts shown are for general information only and may or may not coincide with the actual grant payment(s) to the municipality.
- 4) The grant amounts are subject to verification by the Provincial Auditor General.
