Note:

- 1) The above amounts represent the currently proposed grant allocation to each municipality under this program for this calendar year.
- 2) The grants are based on a formula incorporating a base amount plus a per capita allocation for a five year period. Approved projects are funded on a 75/25 Government/Municipality basis up to the approved maximum eligibility.
- 3) While every effort is made to ensure that this information is correct, the amounts shown are for general information only and may or may not coincide with the actual grant payment(s) to the municipality.
- 4) The grant amounts are subject to verification by the Provincial Auditor General.
