Note:

- 1) The above amounts represent the currently proposed grant allocation to each municipality under this program for the current fiscal year.
- 2) The grants are based on 75% Government funding to a maximum grant of \$2,250,000 per eligible project.
- 3) While every effort is made to ensure that this information is correct, the amounts shown are for general information only and may or may not coincide with the actual final grant payment(s) to the municipality.
- 4) The grant amounts are subject to verification by the Provincial Auditor General.
