

Project Update

Start Date: November 2, 2006

Contractor: ConCreate USL

Proposed Completion: June 2008

Percent Complete: 95%

Completed Activities

Detour and preliminary earthworks are complete. Traffic will continue to use the detour road into 2008.

Placement of all concrete for the bridge is complete.

Project Status for Spring 2008

The contractor has completed the bridge with the exception of painting and minor cleanup.

The pavement contract has been awarded to South Rock Ltd. The contractor will undertake preliminary interchange opening work in localized areas this spring.

Next Steps

Once the bridge is completed, the underground street utilities, streetlights, signals and asphalt will be worked upon up to the bridge and opened to traffic.

The pavement contract includes all pavement from Country Hills Boulevard NW to 15 Street NE, including mainline, ramps and cross streets, completion of grading, paving, signs and lighting.

Construction Information

Stoney Trail will be a busy construction zone from now through 2008. Please do not enter as construction activities present significant hazards to the public.
