

Project Update

Start Date: February 28, 2007

Contractor: ConCreate USL Ltd.

Proposed Completion: October 2008

Percent Complete: 100%

Completed Activities

The bridge has been completed. Traffic has been realigned and is now utilizing the bridge.

Stoney Trail has been extended from Country Hills Boulevard to Sarcee Trail.

Project Status for Spring 2009

Roadwork construction has resumed with completion anticipated in July 2009. South Rock is completing overhead signage, minor deficiencies and site cleanup of the interchange.

Next Steps

No access to Stoney Trail will be permitted beyond Sarcee Trail until July 2009 when it is anticipated that Stoney Trail extension will be opened to traffic from Sarcee Trail to Harvest Hills Boulevard.

Connection to Deerfoot Trail is expected to be completed late fall 2009. This final portion of the Northwest Stoney Trail will be timed with the opening of the Northeast Stoney Trail from Deerfoot Trail to 17 Avenue SE.

Construction Information

Stoney Trail will be a busy construction zone from now through 2009. Please do not enter as construction activities present significant hazards to the public.
