2.2 Specific Description

The New Infrastructure is as specified in the design reports and design drawings, which may be amended from time to time in accordance with the DBFO Agreement, attached as Appendices 1 and 2, respectively, to Schedule 3 (Contractor's Designs) to the DBFO Agreement. Given that the Service Roads are not part of the New Infrastructure, the infrastructure set out in the design drawings and design reports relative to the Service Roads, does not comprise the New Infrastructure.

3. SPECIFIC DESCRIPTION PREVAILS OVER GENERAL DESCRIPTION

In the event of any inconsistency between the General Description of the New Infrastructure at Section 2.1, above, and the Specific Description of the New Infrastructure at Section 2.2, above, the Specific Description, as may be amended from time to time in accordance with the DBFO Agreement, shall govern.
