

Project Update

Completed Activities

Design is completed for Country Hills Boulevard Interchange - bridge, pavement, lighting and other elements.

Design is completed for the Shagannappi Trail Fly-over - bridge, pavement, lighting and other elements.

Project Status for August 2005

Country Hills Boulevard – West Grading Contract: Construction of earthworks, utilities, and drainage is ongoing. This includes earthworks for all planned and future interchanges, and is scheduled for completion in late 2006.

West Nose Creek to the future bridge over CPR Tracks - East Grading Contract: Design is being completed for the earthworks, utilities, and drainage.

Country Hills Boulevard Interchange and Shagannappi Trail Fly-over: contracts are expected to be tendered in late August.

Next Steps

Stoney Trail surfacing, which includes pavement, signs and lighting, is being designed and is scheduled for construction next spring, with the entire project to be open for traffic in the fall of 2007.

Further information sessions are planned. Please watch for signs in your community and your community newsletters for details. Notices will also be posted to this web page.

Construction Information

Construction is scheduled to start this fall, with completion in 2006 on:

- East Grading Contract
- Country Hills Boulevard Interchange
- Shagannappi Trail Flyover
