

Project Update

Start Date: July 20, 2005

Contractor: Kidco / PCL

Proposed Completion: December 2006

Percent Complete: 100%

Completed Activities

Kidco has been working on utilities and earthworks and they are completed.

The West Nose Creek Bridges have been completed by PCL Construction Management Inc.

Project Status for Spring 2007

Traffic is currently being maintained on paved detours at Beddington Trail, Sarcee Trail, Shaganappi Trail and Country Hills Blvd.

The pavement contract has been awarded to South Rock Ltd. The contractor will be undertaking preliminary work in localized areas this spring. This contract includes the construction of the Beddington Trail Interchange.

Next Steps

The pavement contract, which includes all pavement from Country Hills Boulevard NW to 15 Street NE, including mainline, ramps and cross streets. It also includes completion of grading, paving, signs and lighting. This work will be undertaken over the course of 2007 and 2008.

Bridge foundation activities at Beddington Trail are anticipated to commence this spring.

Construction Information

The complete earthworks included the future ramps and bridge fills for the expansion of the Shaganappi Trail Interchange. This will allow the interchange to be expanded much quicker in the future when traffic warrants and funding is available.

Stoney Trail will be a busy construction zone from now through 2008. Please do not enter as construction activities present significant hazards to the public.

For more information on this project please call (403) 270-9203 or email stoney.trail@uma.aecom.com.
