---

**Start Date:** To be determined

**Contractor:** Not yet tendered

**Proposed Completion:** To be determined

**Percent Complete:** 0%

## Completed Activities

*Aecom has been retained to plan, design and administrate interchange construction. Site survey and traffic analysis have been completed.*

## Project Status for Spring 2010

*Aecom is undertaking a functional planning study of the interchange and developing alternatives. Coordination with City of Calgary personnel has been ongoing throughout the planning study.*

## Next Steps

*Functional planning study recommendations will be circulated to stakeholders and presented to the general public. An open house on the interchange is planned for Spring/Summer 2010. Following input and review from stakeholders and the public, the final interchange configuration will be developed and detailed design will begin.*

## Construction Information

*No construction information is available at this time.*
