

Peigan Trail and Stoney Trail SE

(Photo taken September 24, 2013)

As part of the Southeast Stoney Trail project, Peigan Trail now extends from 52 Street SE to 84 Street SE, with a four-lane bridge carrying traffic over Stoney Trail facilitating travel between Rocky View County and the City of Calgary. The interchange provides a new connection between industrial areas on the east and west sides of Stoney Trail while providing motorists with access to south and northbound Stoney Trail.
