

# Project Update

---

**Start Date:** November 1, 2005

**Contractor:**

AECON Construction – Crowchild Trail Bridges  
Slimdor Construction – Interchange Earthworks  
South Rock – Interchange Paving and Ramp Bridges

**Proposed Completion:** Spring 2012

**Percent Complete:** 99%

## Completed Activities

*The City of Calgary has been undertaking construction of the Northwest LRT line extension to the communities of Rocky Ridge and Tuscany along the median of Crowchild Trail. Additional information about the LRT can be found on The City of Calgary web site under Northwest LRT Extension.*

*South Rock has completed the interchange bridges and road surfaces. All ramps and lanes are open to traffic with the exception along Crowchild Trail related to the Northwest LRT Extension.*

## Project Status for Winter 2011/12

*Construction operations have been suspended for the winter.*

## Next Steps

*South Rock will complete minor clean up and deficiencies in Spring 2012. Only minor impacts to traffic are anticipated.*

*The City of Calgary construction of the Northwest LRT Extension will continue. The anticipated completion for this project is Fall 2014.*
