RE: Review of Da-Lee SCJ Tack & Seal

PRODUCT

Da-Lee SCJ Tack & Seal is a bitumen cold joint sealer and tack coat spray manufactured and distributed by Da-Lee Pavement Products located in Stoney Creek, Ontario. Website: www.daleegroup.com

VENDOR CLAIMS AND INFORMATION

CLAIMS

Da-Lee SCJ is a bitumen cold joint sealer & tack coat spray that is applied onto vertical edges and the surface base before the application of asphalt. It will increase the bond of the material to the substrate and waterproof the area. This will significantly enhance the reinstatement's performance by preventing the ingress of water and freeze/thaw effect. Shelf life in correct conditions for sealed can is 12 months.

DESCRIPTION

Da-Lee SCJ is supplied in 750ml cans with the bitumen being discharged by inverting the container and pressing the spray button. After removing ponding water or dust, the sealer can be applied to damp or dry surfaces.

POTENTIAL USAGE

It can be used in repairing potholes and cracks on the asphalt pavement surface.

STANDARDS

Not Provided
