

Note to File

Product: Soleno (Solflo Max) Polyethylene Pipe

Location: Hwy. 3, W. of Brocket

Date evaluated: April 22, 2009

Soleno culvert (600mm diameter)

Interior of pipe

Exterior corrugations

Close-up, no wall separation evident

Culvert was installed in 2002. This culvert is performing well with no signs of distortions. This product is currently listed under the Trial Products category which has expiry in November 2008. I recommend that this product remain under the Trial category for at least two more years to determine its longer term performance.
