

How to Complete the Driver Training Records Report

The *Driver Training Records Report (DPLS0034)* form is used to capture information about **each student** who takes driver training in a given calendar year. It is located at: <http://www.transportation.alberta.ca/4936.htm>. **Driver training organizations must report every student who takes driver training with them, regardless of whether it is part of a standardized course or if it is hourly lessons.**

The screenshot shows the top portion of the form. At the top left is the Alberta Government logo. At the top right is the title "Driver Training Records Report from January 1, 2015 to December 31, 2015" and the form number "DPLS0034(2015/04)". Below this is a privacy notice and a "Directions" section. A gray field for "Name of Driver Training Company:" is marked with a circled 1. Below is a table with 10 columns: "Driver's Licence Number", "Jurisdiction that Issued Student's Driver's Licence", "Alberta Driver's Licence Class At time of training", "Year of Birth (YYYY)", "Postal Code", "Type of Training Taken", "Result of Training", "Completion Form Number (if applicable)", and "Notes". Each column header has a dropdown arrow. The first row of the table is marked with circled numbers 2 through 10 corresponding to each column. A circled 11 is located in the top right corner of the form area.

1 Name of Driver Training Company: Type into the gray field the legal name of your driver training organization. Please ensure you are using the name that appears on your licence/certificate.

2 Driver's Licence Number: Type in field the student's driver's licence number (i.e. 1234567-123). Dashes (-) should be used where applicable. If the student does not have a driver's licence, type "No driver's licence" in the field. If you did not collect the information, type "Not Collected" in the field.

3 **Jurisdiction that Issued Student’s Driver’s Licence:** Select from the dropdown menu, the province that issued the student’s driver’s licence. The options available for selection and an explanation of what they mean are in the table below:

Option	Explanation
