Attention: Matt Hills

Dear Sir:

RE: Avery Dennison 6000 Series Reflective Sheeting (Upgrade to Proven Products)

The Avery Dennison 6000 Series Reflective Sheeting material has provided acceptable performance on several trail projects. Therefore, this product will be upgraded to the Proven Products category of the Alberta Transportation Products List as follows:

- Proven Products
 - Signs and Supports – Reflective Sheeting - Proprietary

However, please be aware that the department reserves the right to remove any product at any time from the Alberta Transportation Products List. Should your product fail to perform in the future it will be removed from the list.

Inclusion of your product on the Alberta Transportation Products List does not guarantee that the department will use this product. It is your responsibility to promote this product in Alberta.

Sincerely,

Roger Skirrow
Director, Geotechnical and Materials Section
